By signing below, I acknowledge this contribution will be used exclusively toward the capital improvement of the Mount Olympus community entrance. If the full amount needed for the proposed design is not raised, the funds will be used for a modified version of the entry, or MOPOA will continue fundraising until the full project can be completed as originally designed. This contribution is voluntary and non-refundable. It does not confer any ownership interest, voting rights, or future claims in the property or project.

Please note: Contributions are voluntary, non-refundable, and not tax-deductible. MOPOA is not a 501(c)(3). No goods or services were provided in exchange for this contribution.
